Actual system memory available to the operating system will be reduced by the amount of dedicated and shared system memory utilized by the graphics solution and resources required by the operating environment.
- (5) Battery life will vary and may be reduced if Windows Aero™ is enabled.
- (6) 33.6 Kbps send/up to 53 Kbps download/14.4 Kbps fax. Actual speeds may vary depending on online conditions.
- (7) Internet access required. First 90-days of live updates included, subscriptions required post 90-days.
- (8) 60-day trial, option to purchase full-version of the Office software will be made after the 60-day trial. All files created during the trial will remain on the PC system regardless of full version purchase.
- (9) For a free copy of the standard limited warranty end-users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For International travelers warranty Valid only in countries where Acer has an authorized repair facility. For a list of those countries go to <http://global.acer.com/support/itw.htm>. or call 800-816-2237. Services and response times may vary in countries outside the U.S. and Canada
